FORGOT SOMETHING?

The Pinecrest Canteen sells drinks and snacks every day during free time, as well as Pinecrest branded merchandise that can be found at www.pinecrestcanteen.com too.

Also, Canteen staff make frequent trips "to town" to obtain other needed items (so if you forgot your toothbrush, it's no problem!). Please inform your cabin leader of your needs so they can help you get the message to the right staff person.

DO NOT BRING

Televisions / Gaming Systems / Stereos / Amplifiers / Fridges / Microwaves / Hot Plates / Air Conditioners, etc - the power system in the cabins is very delicate and cannot handle larger items.

Our host, Camp Johnsonburg, is an entirely **NUT FREE FACILITY** - for everyone's safety please do not pack snacks with nut allergens, ie: peanut butter, nutella, trail mix, Reeses cups, etc.

Bicycles, ebikes, golf carts, power scooters, (other than for medical need), etc. are not permitted

Drugs and Alcohol are not permitted and will result in immediate expulsion from Camp. Pinecrest is a smoke free camp; cigarrets, cigars, e-cigs, vapes all all other smoking paraphernalia are not permitted at camp.

Weapons and/or acts of violence using non-traditional weapons are not permitted and will result in immediate expulsion from Camp.

MAIL & TELEPHONE

Campers can receive mail during the week of camp at:

Pinecrest c/o Camp Johnsonburg

Camper's name (Pinecrest)

822 RT 519, Johnsonburg, NJ 07825 and is distributed daily at the evening meal.

Emails can be sent to publicity@pinecrestllm.org and staff will make sure the message gets to your camper by the end of the day.

If necessary, incoming calls may be made to 631-525-1148. Messages will be relayed to campers as program and schedule permits.

CELL PHONE POLICY

Good News: Cell Phones work just fine at Camp Jburg! We ask for campers to not use their phones during schedule programming (classes, vespers, activities, etc.) but we understand that everyone loves news from home while away at camp. One day per year we will “disconnect to reconnect”, during which we ask campers to stay off their phone for 1 full day, but campers will be informed prior to that day in order to prepare.
